[21:22] <sickogrind> I have vr porn i love it lol

[21:22] <gdayguy36> You already made the money in tips anyways so what does it matter if they are demonetized?

[21:22] <nukacolaking> cheer20 Merry Christmas Phil!

[21:22] <bfl\_griffon> @gojirakunpls no reason to do that, it serves as a decent archive and still produces a bit of money

[21:22] <conan\_the\_barbarian> hey Phil is there any way you can just stream on twitch? and not worry about youtube?

[21:22] <kinggoken> youtube is falling off

[21:22] <mastersaruwatari> @Gojirakunpls not an awful idea, but then where can we watch his content if we miss the streams? They don't stay up forever.

[21:22] <gojirakunpls> @BFL\_Griffon Alright that's true. Forgot that it could serve as an archive

[21:22] <dead\_kinggamer> @darksydephil Phil aim down sights hold lb when ads

[21:23] <mickjones90> I know some content creators who were able to get videos monetized again by speaking to YT staff at YT space events, but Phil doesn't live near a YT space unfortunately

[21:23] <succkonlemon> youtube is a jock

[21:23] <kinggoken> how come xbox doesn't have the first person mode?

[21:23] <conan\_the\_barbarian> just stream full time and build up your subs

[21:24] <bfl\_griffon> @gojirakunpls yeah and its not like he edits the videos, so all he really does is title the vids and set them to upload.

[21:24] <mastersaruwatari> @mickjones90 can't believe you have to do that just to get your ads back. Wow...

[21:24] <emerphish> Imo no reason to give up youtube if it doesn't require any investment to keep uploading

[21:24] <its\_me\_ten> @kinggoken it does

[21:24] <kinggoken> oh

[21:24] <superslygaming> youtube is just gonna ve makeup tutorials and cat videos one day

[21:25] <bfl\_griffon> @huntingowlgames by yourself?

[21:25] <conan\_the\_barbarian> how many subs do you need to stream full time on twitch?

[21:25] <gdayguy36> They aren't the supreme court, they are youtube and they have to protect thier business.

[21:25] <kinggoken> youtube falling off hard

[21:25] <superslygaming> its all algorithm bots

[21:31] <brotherplaya> @MasterSaruwatari why have a gun then if you just need to be passive to win? the whole point is to be the last person alive and 99/100 times you need to kill someone in order to do that

[22:26] <theonlyjesusmark> and then the updt comes out and its trash  
[22:26] <factorbactorjr> im fairly certain that on twitch you dont need to censor nudity as long as the game isnt actually focused on nudity  
[22:26] <hobox10> because the developers are incompetent  
[22:26] <markj78> I want to get this for Xbox but itâ€™s still running like garbage

[22:27] <litterial> If he pledged that 1000 to patreon, we'd have already hit the goal  
[22:27] <rtucker913> There was a vest right there. Vests give extra space too

[22:31] <dukaduka> @snipertheladiesman i like quiet's humming, it her one real interesting quality. I don't really care for her look, but the humming seems like the eye of a hurricane when looking at her character

[22:31] <glaciers> @MasterSaruwatari the execution of PUBG is a 7/10 to me thats still not stumbling on success

[22:31] <dukaduka> i get verbose when im drunk sorry

[22:31] <fluttershy1970> it is like if are not happy poor being rich is not going fix your problems

[22:32] <popsicolo> This game reminds me of when I was a foreign exchange student in Japan.

[22:32] <skooma\_dealer> What would you rate yourself out of 10 @DarksydePhil

[22:32] <mastersaruwatari> @Glaciers I would kind of call it dumb luck. I find something like cuphead's success more legit because of how much of a gamble it is.

[22:32] <dukaduka> but if you create the context to take it out of without elaborating, you kinda shoot yourself in the foot preemptively

[22:32] <mastersaruwatari> cuphead was such a HUGE risk.

[22:32] <glaciers> i really disagree, its a flawed execution, i dont play PUBG at all because i hate the optimization but if the game ran like it could i would call it a 10/10... agree @factorbactorjr i play fortnite daily

[22:32] <dukaduka> @factorbactorjr agreed. it just feels more complete
